FIVE-STAR SUBARU SPONSORS GRAPEVINE'S COMMUNITY GRANTS PROGRAM

GRAPEVINE, TEXAS – September 3, 2019 – Keep Grapevine Beautiful is pleased to announce that Sam Pack's Five Star Subaru-Grapevine will be sponsoring our Community Grants Program. Each year we provide up to \$3,000 to schools or organizations for projects that focus on improving the community in one of the following areas: litter prevention, waste reduction and beautification.

"Subaru loves the Earth and we at Five Star Subaru are very dedicated to helping the beautification of Grapevine, Texas," says Dee Boyett, Public Relations Specialist of Five Star Subaru.

Last year winners included Grapevine Faith Christian School, which was granted \$2,000 for the installation of refillable water bottle fountains, Dallas Off-Road Bicycle Association, which was granted \$300 toward the purchase of a new kiosk for placement at the Catfish Lane trailhead of the Horseshoe Mountain Bike Trail and Grapevine High School Parent Teacher Association, which was granted \$400 to be used for ongoing beautification of the Centennial Garden at the school's main entrance.

"This grant program helps organizations bring meaningful projects to life," says Cindy Harris, Volunteer Services Liaison of Grapevine Parks and Recreation. "These projects help improve the community in three very important areas, which is what Keep Grapevine Beautiful aims to do also."

Keep Grapevine Beautiful is excited to collaborate with Sam Pack's Five Star Subaru-Grapevine on this impactful opportunity for the community. The Community Grants Program will begin accepting new applications starting Monday, September 9 through Tuesday, October 8 at 5:00 pm.

Finalists will be notified on Wednesday, October 16 and will be asked to present their project to the Keep Grapevine Beautiful Advisory Board meeting on Monday, November 11. The winners will be notified no later than Sunday, November 13.
