

STAFF SPOTLIGHT

"I have lived in Grapevine for 25 years. I retired from teaching 5 years ago where I taught Elementary Physical Education and coached swimming for 31 years in Mesquite and Hurst. I loved my job but as my daughters, Sydney and Addison, started middle school, we made a decision that becoming my family's "house manager" was more important. As the girls were ending high school and my services as a chauffeur were less needed, I began looking for something to fill my days. I found the perfect part-time job and started working at The REC of Grapevine eight months ago. I have been a member for many years and always admired what a great Active Adult Center we have and am now thrilled to be part of it. I look forward to work everyday with all the great supervisors, coworkers and Active Adults I have become friends with. In my off time, I walk on the many trails around the lake and enjoy eating and wine tasting on Main Street."
